Excellent. Is there any chance of getting Councilman Cedillo to reach-out to Monica Garcia? The LAUSD Board could always reconsider their previous action.

Luis & Cairo,

FYI

Although the BLQ BID recertification petition drive was successful without LAUSD support. I am a bit concerned about the upcoming special election required to certify the BID's continued operations.

LAUSD has historically supported the BLQ BID and I am disappointed by their decisions not support us this time around.

Dear Mr. Gomez,

On May 8th, 2018, the Los Angeles Unified School District Board of Education voted on a staff proposal to sign various Business Improvement District (BID) petitions involving District properties. The proposal for the District to sign these petitions in support of the BIDs was not approved. The Board expressed the desire to support the BID petitions, and staff spoke to the positive relationships schools have with existing BIDs, but the Board felt that they could not justify supporting the expenditure of public education funds for purposes other than education in a time when the District is facing historic budget deficits.

Please let me know if you have any questions.

Hello Yekaterina,

I'm following up on our ongoing conversation regarding the LAUSD school board vote on the BLQ BID petition.

Was the meeting held and what was the decision on getting a signature on the petition?

Sincerely,

Moises Gomez
